

HAVE YOU EVER THOUGHT:

Am I normal regarding sex?

How can I stay in the moment during sex?

Why don't I want to have sex anymore?

If you answered “YES” to any of these questions, join our Sexual Empowerment for Women* group.

Sexual Empowerment for Women group will provide you with the support and skills to:

- understand how society, religion and our families can impact our views of sexuality
- bust harmful myths such as “his pleasure comes first” and “enjoying sex makes you dirty”
- feel more comfortable discussing sexuality
- understand your unique sexual needs and how to communicate them

The Details:

We meet once a week in the evenings
